Terrible Cook 3

It's the third day andwe are going to be video taping her at her first bake sale. She has _____Number_____tables set up, _____Number_____cup cake racks, and _____Number_____buckets of ice cream. She was selling vanilla ice cream, chocolate cup cakes, and _____Number_____different cakes. She used 15 boxes of cake mix, 4 gallons of ice cream mix, and 9 containers of frosting.It took her _____Number_____weeks to make the stuff for the sale. She is setting up kes fell ofthe sale when, one of the cakes fell off the table, and splattered all over her _____Clothing_____. She freaked out using cuss words, throwing things, and stripping her shirt off and putting another one on. She was hot mess because the cake that had fallen, was the special guests, favorite cake. She had 2 hours to make another 3 layer cake with roses on top, vanilla cake, and white frosting. It had taken her 4 husr to get it how it was the first time let alone in less than 2 hours. She is not only a bad employee, but she is also a cluts. _____First name_____ calls herself the cluts machine the cluts machine. She decided to take the chance and re-make the cake.She made the cake in 1 hour and 45 minutes. She brought out the cake and it looked crappy. The roses were clumped, the frosting was yellow, and it smelled horrible. She sold 2 cup caes, 1 cake, and2 ice eam cone. She didn't use _____Ingredients_____used yolks, she forgot the _____Ingredients_____ and she left out the _____Ingredients_____extract.

TERRIBLE!!!!!
