The Day Care Instructor

There was one daycare instructor that everybody likes. She was only <u>Number</u> she looked after kids 3 months to 5 years. She loved kids and even wanted <u>Number</u> of her own. Her name is <u>Piest name</u> and she is the most liked daycare instructor. There was a new <u>Career</u> being built in <u>Location</u> and she was the first to apply, and the first to be hired. She was put in the toddler room of kids ages 1 month to <u>Number</u> years. She was in there with 5 to <u>Number</u> kids a day. She is the most experienced person in the <u>Career</u>. She made \$25 an hour. She works 5 days a week, no weekends, and works 10 to 20 hours a day. She was the most well neede employee, <u>Number</u> could ever want. Until one day she was riding her bike to wrk and wrecked her bike. She broke her leg i <u>Number</u> places and was told she couldn't go to work for 2 weeks at least.

After her 2 weeks were up, she went back to work for about 2 days and she had to leave work again for 3 months . She ended up quiting her job and moving in with her dad because her ankle was also broken and she didn't have a clue in using crutches. She made \$2000 dollars a month.
