# Draft your own Scott Cleland Google attack article

Google just ruined my \_\_\_\_\_ Time of day eg afternoon \_\_\_\_\_

by Scott Cleland

They've done it again

Despite being investigated by the \_\_\_\_\_ Three letter acronym \_\_\_\_\_ and prosecuted by privacy regulators in

\_\_\_\_\_ Country \_\_\_\_\_ Google \_\_\_\_\_ Name of google product (do not use the word 'google') \_\_\_\_\_ has a monopoly in everything we do on

the web and invades our privacy every \_\_\_\_\_ Period of time eg month \_\_\_\_\_. I have sources that tell me that Google is

planning a full military invasion of \_\_\_\_\_ Place \_\_\_\_\_. This is further evidence that the \_\_\_\_\_ Three letter acronym \_\_\_\_\_

made a big mistake when they allowed Google to acquire \_\_\_\_\_ Name of company google has acquired \_\_\_\_\_.

Last

week, an unnamed Google executive \_\_\_\_\_ Person's first name \_\_\_\_\_ is his name) decided he would \_\_\_\_\_ Action verb eg \_\_\_\_\_ kick \_\_\_\_\_ one of Google's competitors, \_\_\_\_\_ Name of company \_\_\_\_\_ and emailed \_\_\_\_\_ Name of a google executive \_\_\_\_\_ saying " we should try to \_\_\_\_\_ Action verb eg kick \_\_\_\_\_ them".

Google also introduced a new privacy policy, under which, Google could sell information about its users';

\_\_\_\_\_ Noun (plural) \_\_\_\_\_ to \_\_\_\_\_ Collective noun for a profession eg lawyers \_\_\_\_\_.

"Don't be evil"; - ha! more like "don't be \_\_\_\_\_ Adjective \_\_\_\_\_.

I have compiled a list of Google's \_\_\_\_\_ Number \_\_\_\_\_ most evil decisions here. Why does the \_\_\_\_\_ Three letter \_\_\_\_\_ acronym \_\_\_\_\_ not take firmer action against Google. I support the \_\_\_\_\_ Organ of government \_\_\_\_\_; call for Google to be \_\_\_\_\_ Past tense verb \_\_\_\_\_.
