Dear Dumb Diary,

\_\_\_\_\_ First name is on \_\_\_\_\_ Verb committee, which is \_\_\_\_\_ Adjective because she is one of those  
\_\_\_\_\_ Adjective people that you just naturally assume \_\_\_\_\_ Present tense verb like somebody slipped a  
\_\_\_\_\_ Animal down her \_\_\_\_\_ Clothing (singular). She's not totally a girl, not totally a \_\_\_\_\_ Animal. She's  
what you might call a \_\_\_\_\_ Girl and animal combined.

\_\_\_\_\_ First name asked me to help with the poster (my glitter skills are legendary) and I agreed to make one. She  
wanted, like, a \_\_\_\_\_ Number different \_\_\_\_\_ Plural noun but glitterzing takes a \_\_\_\_\_ Adjective time, and I'm  
not going to \_\_\_\_\_ Adjective my reputation with a bunch of posters that start developing glitter bald-spots  
because I \_\_\_\_\_ Verb it.
