The Pond

A few ______{Noun} ago, my friends and I went ______{Verb} at a local pond. This was a unique ______{Noun}.

No one had ever been there before. Not only that, the ______{Noun} was located in the middle of the

______{Noun}. We decided to name it ______{First name}. A few things we did there included ______{Verb} off a

______{Number} feet hill into the pond, fishing for ______{Animal} and ______{Adjective} ______{Noun} and went

canoeing.

It was a tough spot to carry your ______{Noun} in. First, you had to ______{Verb} ______{Number} miles just to

get to it. Once there, you had to ______{Verb} across a ______{Number} feet break in the ______{Location}. We

finally built a make-shift ______{Noun} to get across. Once you were a mile away, you had to climb up a

______{Noun} and walk over sharp pointy ______{Plural noun}. It was definitely worth going through to get to

______{First name}.
