The Fashion Designer

The girl who calls herself a fashion designer,can't even sew a straight line, who can;t cut a heart out of construction paper, and the girl who's name is _____First name_____Last name_____. She is the fashion designer in Stuart. One day _____First name_____was asked to design a dress for her best friend. She had to make it _____Color_____and it had to have flowers on it. She drew it and it looked like crap. The straps were two different lengths, the bottom was a huge curve, and the dress was _____Color_____with polka dots. The thing about her horrible work, is that when she sewed it together, it looked how it was supposed to look. She was a terrible artist but a good designer.
