# Bus Rides

Bus \_\_\_\_\_ are fun, unless your sitting next to the weird kid in class who talks to the seat in-front of him.

Imagine you and your friends are sitting in the \_\_\_\_\_jamming out to Nicki \_\_\_\_\_new song

\_\_\_\_\_; Then the weird kid asks you "; Have you seen my pet \_\_\_\_\_; You and your friends look

at him with a \_\_\_\_\_? look. You say "; Oh please we now your just trying to \_\_\_\_\_us!"; He says

that he had it in his \_\_\_\_\_and know its not there. You don't believe him for one \_\_\_\_\_ then

suddenly you see something crawling on your friends leg. She screams \_\_\_\_\_; and kicks her

\_\_\_\_\_around. The weird kid get expelled for bringing a \_\_\_\_\_to school, and you have a great

story to tell. Or you can have your usual bus \_\_\_\_\_which is, sitting in the very back seats with your

friends jammin out to Nicki \_\_\_\_\_new song!';
