# Fanboy Fire Extinguisher

I \_\_\_\_\_ Your full name \_\_\_\_\_, hereby pledge to cool it. While I made an informed decision to purchase my \_\_\_\_\_ Product you like \_\_\_\_\_, I have come to understand that this decision was still a product of personal taste as well as my opinions, neither of which can be right or wrong. I realize now that I am wrong to want to \_\_\_\_\_ What you \_\_\_\_\_ want to do to them \_\_\_\_\_ every time I see someone with a \_\_\_\_\_ Product you hate \_\_\_\_\_. This is because this other person is an individual as well, with their own personal tastes and equally valid, formed opinions. I understand now that variety is the spice of life, and if everyone in the world had a \_\_\_\_\_ Product you like \_\_\_\_\_, well then that would be quite boring, and I wouldn't feel so special.
