HC Same-sex Marriage part 1

| If by passing law you could guar | arantee that 770,000 people could live a better and |
|-----------------------------------------------------|-------------------------------------------------------------------|
| Adjective - Comparative life, wouldn't you pass | ss that law? By making same-sex marriage legal we can |
| the health of those individuals whi | nile decreasing healthcare Noun-Plural Buddha once said |
| , When you find that anything agrees with reason | on and is conducted to the good and benefit of one and all, then |
| accept it and live up to. It seems that same-sex ma | narriage would benefit and all. It has been |
| proven that by legalizing same-sex marriage you | could not only the cost of healthcare but also |
| the health of lesbian, gay, bisexual | al, and transgender communities. By saying that a same-sex |
| relationship does not constitute legal marriage the | nese couples now have aAdjective - Comparative time getting |
| employee sponsor coverage, and they have to wo | orry about hospital visitation rules, healthcare proxies, durable |
| power of attorney, wills, trusts, and second part p | parent adoptions. |
