# Dinner

It was 5 P.M., everyone was hungry and tired, and the

question that 1) \_\_\_\_\_ Adjective most dreaded every day was

voiced.

Whats for dinner, Mom? the kids asked.

Well., she replied, Im really kind of tired of making

2) \_\_\_\_\_ Noun and 3) \_\_\_\_\_ Noun all the time. I need some new ideas,

and I need some help.

I know, said one of the kids. Lets have 4) \_\_\_\_\_ Noun. Ill help. Ill start

chopping the 5) \_\_\_\_\_ Noun. That will save you at least 6) \_\_\_\_\_ Number minutes.

Lets

have some 7) Noun, too, someone said. Ill run out to the

garden and pick some! And lets make 8) Noun for dessert, came the next

suggestion. Ill just look in the freezer for some

9) Noun and well be all set.

Mom 10) silly word.

The family worked together

preparing the meal. After 11) Noun, the meal was ready.

For a final touch, Mom decided to make the table extra fancy by placing ...
