The Adventure

Jack woke up and looked at his alarm clock. The alarm clock that Jack hates is on the shelf. The ringing annoyed him so much; he Verb - Past Tense the clock at the wall. Jack then got out of his bed and picked up the clock. He was Adverb surprised to see what time it was. The time on the clock was 10 AM. Jack Adverb got dressed, since he had a Noun appointment at 10:30. Jack first started brushing his teeth with his green tooth brush. After that Jack started to brush his hair. After that Jack got a mirror to check out his hair. He held the mirror over his head while he inspected his hair. Next Jack started getting dressed to leave. Speedily Jack Verb - Past Tense and put his Noun - Plural on. Jack tripped a little, causing him to cut his face with the razor. Jack screamed Ouch, this really hurts! while he drops his razor. Jack kicked the dresser in agony. After Jack finished getting dress he went to his kitchen. Jack picked up the sandwich his mom made. He ran quickly to the door. Before he could get to the door, he slipped on the rug. Jack Verb - Past Tense to himself I love this rug. After a minute or so he ran outside. Jack got Preposition or subordinating conjunction his car, the biggest one in the driveway. When he got in the car, he forgot to get his coffee. Jack then Verb - Past Tense at his neighbors house. He painted his house green. Jack started up his car and started speeding to the dentists office. When driving he passed Bens house with Ben in front. Ben was an intern at the Dentist Office. Jack really disliked Ben. Bens attitude seemed very sketchy to most people. His behavior has been outrageous. Jack just put his head low so hopefully Ben wont see him. After driving for a little bit Jack got to a light. The light was red when he got there. After two minutes the light sill remained red. Jack started talking to himself in an aggravated voice Stop being red and turn green over and over again. Eventually the light turned green. Jack started

speeding again to his destination.

Only after a few short minutes Jack got to the dentist office. Jack opened his door and jumped into the street.

Verb - Present Tense down the street, Jack slipped again. The person next to him started laughing. Jack just gave that man a dirty look. When Jack got inside the office he went to the receptionist. The woman behind the counter asked

What is your name? in a monotone voice.

Jack White.

You know your appointment is tomorrow?

Jack looked at his phone. The reason that alarm didn't go off, is because it was set for a different day. Now Jack just looked blankly at the wall. The amount of anger going through his head was so Adjective, that his face turned red. Jack walked outside and just started screaming random things. He got back in his car and went off to school. It is just the start, of an interesting day.
