High School

Congratulations! and welcome to High School! There are Noun - Plural. Do you know where you Verb - Non 3rd Person Singular Present in? At any given public Noun there exists the Adjective and usually demeaning cliques that Noun - Plural become accustomed to throughout their school careers. Students conform to these cliché identifiers of Noun, Noun, and personality due to a desire to make Noun - Plural and Verb into a box designed by society. Although it might be convenient to blindly assign a word to any given group of students, the descriptions often keep the Noun - Plural segregated. If you are to look around a high school Noun you are able to easily identify certain groups, but others are less obvious. Some Noun - Plural have been present in high schools for decades, while others are just emerging through pop culture and current Noun - Plural.

Some of the classic cliques seen throughout high schools in Modal will most likely be around for decades to come. For example, Noun - Plural are the kids spending their high school career completely emerged in Noun - Plural, Noun - Plural are the studious kids with Number.0 grade point averages who spend each night Verb - Present Tense homework, and non-conformists do anything and everything that Noun disapproves of. Recently new Noun - Plural have developed as well. One of these groups is called the emo Noun - Plural, who wear more Adjective clothing than others. Another is the hipsters who listen to Verb music, take Polaroid pictures, and detest anything mainstream. Do not limit yourself to one Noun. Talk to Noun - Plural from all different circles and then figure out where you are most Adjective.
