# Activity Mall

My \_\_\_\_\_ Noun and I went to the mall and they had fun because we ran and \_\_\_\_\_ Verb - Base Form. All of us were really \_\_\_\_\_ Adjective. And we jumped up like 100 times. \_\_\_\_\_ Conjunction it was \_\_\_\_\_ Adverb Coming to the mall. After we came from a store we went to another and we went down the \_\_\_\_\_ Noun my \_\_\_\_\_ Noun were \_\_\_\_\_ Adjective and we went between people but we saw \_\_\_\_\_ Noun going up and we waved. We said \_\_\_\_\_ interjection! This Is a \_\_\_\_\_ Pronoun mall. We had a lot of shopping bags some of them were hard to carry because they were so heavy but I had put a bag behind my back.
