## THE fun

The funny star was wiggling all around the \_\_\_\_\_Color\_\_\_\_\_sky next to \_\_\_\_\_Name\_\_\_\_\_. She was dancing all over the evidence and ruined every thing. Then Lizzie took over \_\_\_\_\_Location\_\_\_\_\_and every one, and I was very scared then I ran away from her then she hurt me. I found a nice \_\_\_\_\_Location\_\_\_\_\_to spend the night in to hide from \_\_\_\_\_Name\_\_\_\_\_. Then karlie came and gave me a cup of coffee for no reason what so ever. Then she hid with me from \_\_\_\_\_Name\_\_\_\_\_. \_\_\_\_\_Name\_\_\_\_\_came and ate us it was very slimy in her body. I didn't like it in there. I got a stick and started to hit that ball looking thing in her throat then she cough us up and we were free. Then a \_\_\_\_\_Color\_\_\_\_\_ \_\_\_\_\_Animal\_\_\_\_\_ate me but not \_\_\_\_\_Name\_\_\_\_\_Lucky \_\_\_\_\_Animal\_\_\_\_\_.
