# Bacon or Sausage?

On a Adjective Adjective day, a Adjective Noun named Name walked into his Adjective backyard. Suddenly, a Adjective statue of Abraham Lincoln flew and Adjective in his backyard. Then he asked this strange, Adjective question.

"What do you like better; bacon or sausage?"; the statue asked.

"Definitely bacon,"; replied Same name as before.

Then the Lincoln statue transformed into a giant Adjective pig, and destroyed the big city. He became Adjective of the Adjective city, and ruled his people Adjective. His family has been in power of this horrible city for a long time, and they have changed lots of things. The town was named Akward name and has statues of Adjective pigs everywhere. The poor people that live there are kept in Adjective Adjective Plural noun are fed Noun. Eventually the pigs took over the Earth, then other large planets. This era was dubbed, "The rule of Name the Horrible";

All because of bacon.
