12. Verb \_\_\_\_\_

# THE MUSIC TECH ALIEN ABDUCTOR

## THE MUSIC TECH CLASS ALIEN ABDUCTOR!

It was a \_\_\_\_\_ day at \_\_\_\_\_ Sylvan and I had just gotten out of boring math class when an alien popped up in his mini space \_\_\_\_\_. This was not a normal day, I thought to myself cheerfully, but there must be a totally logical explanation for this. I \_\_\_\_\_ the little grunt right in the nose thinking it was just a \_\_\_\_\_ and \_\_\_\_\_ projection. But to my mistake it was real! \_\_\_\_\_ What the heck is this I \_\_\_\_\_ at the top of my voice. I \_\_\_\_\_ under a table to think a little. I knew what I had to do; I \_\_\_\_\_ the nearest broom stick and with a whack and a boom I \_\_\_\_\_ that alien cold. And that is the story of the weirdest day in Music tech ever!
