THE MUSIC TECH ALIEN ABDUCTOR

THE MUSIC TECH CLASS ALIEN ABDUCTOR!

It was a _____ day at _____ Sylvan and I had just gotten out of boring math class when an alien popped up in his mini space _____. This was not a normal day, I thought to myself cheerfully, but there must be a totally logical explanation for this. I _____ the little grunt right in the nose thinking it was just a _____ and _____ projection. But to my mistake it was real!

_____ What the heck is this I _____ at the top of my voice. I _____ under a table to think a little. I knew what I had to do; I _____ the nearest broom stick and with a whack and a boom I _____ that alien cold. And that is the story of the weirdest day in Music tech ever!
