Our First Date

I was just chillin' on my bedroom, nothing to do on the internet. I was about to go to sleep when my cellphone rang.

It was _____Your crush_____, my secret crush.

He asked me if we could go hang out. He sounded very nervous, but I didn't let that bother me. However, something tells me that something wrong. But whatever.

Anyway, I of course, accepted. I was so _____Emotion_____ and I ran to my closet and wore a _____color_____ _____top_____, _____bottom_____ and _____footwear_____. Not to mention I also have a _____Adjective_____ _____headgear_____.

So, he told me to meet outside _____Mall_____. I waited there and saw him. I ran up to him and said, "Bonjour", he replied back, saying the same as I did! Inside, I felt so _____Emotion_____ but I wanted to look _____Adjective_____ in front of him.

We then first, went to the restaurant. I ordered a _____food_____ and a _____drink_____ and he ordered the same. It was so _____Adjective_____. After we ate, we went to the cinema and watched a _____movie genre_____ movie, I was so _____Emotion_____

!

We planned to go to the photo booth, but he said; "Let's just go to my house." We arrived there by

_____transportation_____ and he led me to his bedroom. The next thing I knew, he pushed me to his bed and kissed

me. He said; "I love you, _____Your name_____"

"I love you too," I replied.
