One day I went to the park and saw _____Name of a person_____Name of a person_____. He was _____Adjective_____ _____Adjective_____Adjective_____the sky on the swings. I was like "Hey what up Michael!?"; He was like "Oh nothing much just here at the park _____Verb_____out taking a break from music work."; Back than I was a big Michael Jackson fan! One of my favorite songs of his was Beat It. Michael was a really shy guy he barely ever talked. I don't know why maybe because he was nervous of everyone asking him question or _____Verb_____at him. Michael was _____Verb_____rock out clothes like he had a big concert, or performance, or some party thing later that night. Although _____Name of a person_____did not talk that much it was still really cool to see him and even cooler to have a short conversation with him. I didn't want to keep on talking to him because I was kind of getting the feeling that he would've got annoyed. Well yeah so that's my story about the time where I was at the park and I saw _____Name of a person_____Name of a person_____GOODBYE! THE END! ï?? ï?? ï??
