# My Best Friend

There is no one on planet that I Verb - Base Form more than Name, my best friend. We both have the same kind of pet, a animal, and both simply love Verb - Present ends in ING. When we go to Place together, which is Preposition this area, we never get bored of talking about Noun - Plural! My best friend different from me because he is extremely Adjective, and also unlike me, he owns a Noun. He can Verb - Base Form and Verb - Base Form at the same time, which is a Adjective skill in life. Every time he sees something Adjective he Adverb says, interjection!, but then just Verb - Present ends in S. My best friend has this really cool Noun, but not as cool as his Possessive Noun Adjective size! My best friend is Adjective, Conjunction Adjective. Oh, I forgot to mention the best part: we both Verb - Base Form Teacher!
