Adventure Time

"Finn, come on! We have to get down to the Food Kingdom! I'm hungry!" Said Jake, my talking dog buddy. I ran and flipped up to the rocket vehicle. It zoomed all the way past Adjective Space Princess. Jake stretched past me, so I had to catch up! I did a double flip and grabbed on to Jake's legs! "Hey! Were here!" I said, and Jake ran in to the kingdom. I caught up with him and ran into Princess treat. "Hey, Finn! Nice day, huh?" She said. I stared. She was beautiful! I fell down, but Jake bounced me up. He was munching on a treat dino. "Let's go, Finn! It's time for Mythical Creature Hunting!!!" Jake exclaimed. I walked behind him, still staring at the princess.
