american soldier (toby Keith)

I'm just trying to be a family member

Raise a family member and a family member

Be a lover to their family member

Everything to everyone

Up and at 'them, bright and early

I'm all business in my suit

Yeah, I'm dressed up for success

From my body part down to my clothing

I don't do it for the Noun

There's Noun that I can't can or cant

I don't do it for the glory

I just do it anyway

Providing for our future's my responsibility

Yeah I'm real Adjective under pressure

Being all that I can or cant be

And I can or cant call in sick on day

When

the weekends been too Adjective

Pronoun just work straight through the holidays

And sometimes all time of day long

You can bet that I stand ready when the wolf growls at the thing

Hey, I'm Adjective, hey I'm Adjective, hey, I'm true down to the core

And Pronoun will always do my duty no matter what the price

I've counted up the cost, I know the sacrifice

Oh, and Pronoun don't want to die for Pronoun

But if dying's asked of Pronoun

I'll bear that Noun with honor

freedom don't come free

I'm an Adjective soldier, an Adjective

Beside my brothers and my family member I will Adjective take a stand

When Liberty's in jeopardy, I will always do what's right

I'm out here on the front line

Sleep in peace tonight

Adjective soldier, I'm an Adjective soldier

Yeah,

an Adjective soldier, an Adjective

Beside my family member and my sisters I will proudly take a stand

When Liberty's in jeopardy I will always do what's right or wrong

I'm out here on the front line

So Sleep in peace time of day

Adjective soldier, I'm an Adjective

An Adjective, an Adjective soldier
