That day was a day I will always ______. That day a major disaster broke out. There was an urban storm massive enough to destroy New York. I <u>Adjective</u> to <u>Adjective</u> what caused it. My Adjective was bob and this is my story. I was walking in the sparse neighborhood when <u>Adjective</u> of nowhere I was mugged. I was forced to lie in ______ verb - Base Form ______ position while they searched me for money. They did not know ______ Adjective _____ I was or cared, they just wanted money. I then fractured <u>Verb - Base Form</u> legs and proceeded <u>Adjective</u> topple them. After I fled. The next morning I woke up and got a call from the agency. I forgot to tell you I worked for the weather office. Anyway they said I ______ come down to the office ______ Verb - Base Form _____. I predicted this was something important. It was. My Doppler scanner showed signs of an immense storm circling around the Pacific <u>Adjective</u>. To give you an idea of how <u>Adjective</u> this storm is actually my employer said we have to send you ______Adjective ______ space to see it. I could ______Adjective ______ the weather alerts going out right now saying evacuate immediately to Asia. If we did not get them to evacuate it would be catastrophe. I asked my boss are you _______ out alerts I saidno said my boss we do not think it is a big deal. I knew I had to evacuate Adjective America. Adjective ? That was the Adjective . I needed to get on a major news network.

So I went to one of my friends on CBS. He told me it would take a few months. I knew <u>Adjective</u> storm would hit in a few days. I knew what I had to do. A day later with a few friends I decided to storm the castle. I broke into the network and told the world to <u>Adjective</u>. You <u>Adjective</u> think it worked. Nope

country to evacuate. I hope the world will keep on <u>Adjective</u> without the U.S. I am going to retreat to

care <u>Adjective</u> a hospital and a mental home.
