The Radish

Once upon a time there was a little Noun who wanted to grow Adjective and Adjective!

He knew that he needed lots of soil, Noun and Noun to grow Adjective and strong, but

he lived in the Noun. The Noun does not rain a lot, so the Adjective radish was

worried that he would not get enough water to Adjective. A Noun rat was Verb - Present

ends in ING by him and noticed that the little radish was thirsty, so he went to a cactus and took some water

from the inside of it. The Noun rat brought the water back to the little radish to Verb - Base Form.

The little radish was so happy because he knew that he would be able to Verb - Base Form big and

Adjective with the water from the cactus.
