Randomness

What would you do if you looked outside one morning and saw anif neon striped monkeys,
flying and blue donkeys approaching your house. Well ill tell you what I would do I would
decided to do sit on my couch and do nothing but than things turned for the worst thestarted
braking in through the windows, and the neon monkeys broke in through the and the
cows started to attack the rest of my neighborhood and thenII
should have ran but the I went down my crazy green hallway to myrainbow neon random toilet I
sat down in mytoilet and then the neon monkeys broke down the door and then I realized I was
screwed.
