Chicken Pox

Chicken Pox

When walking to a doctor's office, you get that feeling of _____Feeling_____. For when I was _____Action_____there, I was happy, counting my _____Color_____chicken pox. With _____Animal_____pox, you can connect the dots, with a pen of any shade of _____Color_____. I would be _____Feeling_____to see them go. For each tiny little dot sprinkled on my _____Body part_____ was another reason to stay out of my face! For when I stepped into the doctor's office, I knew. They were going to steal my _____Animal_____pox!!!

And with a quick burst of energy, I _____Past tense verb_____out that door, and left the chicken pox, sprawled out on the floor. And the black and white floor was red all over, like a newspaper!
