Advising

A student walks into the Office of Outreach and Adult Access. The student is interested in pursuing a Bachelors	
degree. The student is greeted by our Adjective front desk staff and assigned to a Adjective	
advisor for an Information Session. After deciding to pursue the Bachelors of art degree with a Self-directed	
Area of Emphasis in the student is assigned to a advisor for an Orientation	
Session.	
During this meeting, the student and the advisor the program requirements and policies,	
explore and choose classes together and build the advisor/advisee relationship.	
With help from the advisor, the student chooses Subject 101 and Subject 102.	
From this point on through graduation the advisor's role is to be,, and, and	
Adjective .
