<b>Claudia outfit alert!B> "Claudia mixes up and matches the weirdest stuff and comes up with the coolest outfits. Like a loose blouse with a fake coat of arms on it over a short black \_\_\_\_\_<sup>Noun</sup>\_\_\_\_\_. Around her waist, a scarf. On her feet, short black boots." Hey, I'd hype that on Lookbook. "Dangling from her ears, dinosaurs. And her hair might be piled on top of her head and held in place with pins that look like seahorses." <i>Oh come on .i> I wonder if you could just mad lib a Claudia outfit together? I wonder if that's what they actually do?
