# The Slumber Party

There once was an           Noun           girl named           First name          . It was her birthday so she invited her           Plural noun           over for a           Event          . All of the girls were screaming, and           Verb ending in ing                     Noun          . Then it was time to tell scary stories, on the           Surface          . So all of the girls sat in a           Shape           and Celia got out a           Noun          . "There once was a ghost who lived in Oregon."; Said Holly. Abigail hid under the covers, and her teeth           Past tense verb          . Once Holly had finished the story, all of the girls had fallen into a           Adjective           deep sleep. Celia dreamt of           Noun           and           Noun          . At           Number           in the morning, all of the girls woke up except           First name          . So all of the girls got some           Noun           and face-paint. They           Past tense verb           Celia's face with a clown face. Then Celia woke up and was very           Adjective           at all of them.

The End
