the little dog and the girl

It was a Adjective day when her father gave her a puppy and she was very happy because she had a new Animal. She had her puppy for Number years but her mother Past tense verb to give the dog to a friend. The Noun was really sad about that. The dog was not her's anymore. After one year she saw the same dog when she was Number years old she thought that dog was her Animal and she opened the door so the dog could come in. All she was Verb ending in ing the whole time was, I'm glad I have my Noun back.
