Bob, The Purple Unicorn

One day, I was home with my _____
One day, I was home with my _____ Bob who was _____ years old. We were
watching TV when all of a sudden; the house begins to violently shake. Bob started to _____
uncontrollably by the beat. I was hiding under a table. But a few minutes later, the door rang and the house
stopped shaking. I _____ slid out from the table and answered the door. It was a _____
jadheasi. Then it started _____. Greetings, I am a jadheasi from the planet Yabadaboodoo. I
noticed your house fell from all the way up in the _____ sky. Did you know that you killed the wicked
teddy bear of the northwest? We have been under his reign for over _____ minutes. I was standing
there speechless. Was that jadheasi talking? I asked the jaheasi if he knew how to get back to _____.
He replied _____ you say. If you need to go back to _____ follow this _____ road
all the way until you reach the Ice City of Bogs. From there is a powerful gummy bear that can grant any wish.
Surely, you will find your way back. So I skipped all the way down the muddy road with Bob at my side. I
eventually reached the _____ City of Bogs. I reached the city and it was the most _____ city
ever. I was finally in heaven! I stepped on the chocolate road and was welcomed by a short man wearing a big
_____ suit. I asked him if he could let me go inside the city. He said sure, but I must wear a face mask to
make sure I do not eat all the ice cream. At first I disagreed, but a _____ dog changed my mind. I
agreed to this obscure rule and went inside the city. The inside was even more beautiful than the outside. It had
_____ with _____ lining the side. _____ of every size. Even some of the
people inside looked good enough to eat, like ice cream. I was dazed for a moment, but quickly recovered to ask
the

great Bogs how to get home. There was a long line to ask him so I waited until my turn finally came, feeding Bob his favorite treat, Food. When it was finally my turn, it was actually the jadheasi from before! I asked him how to get back to location. He said I could have gone home from the time I got here. I started to ask him how to get home and he said to just ask Bob the way home. He was a magical flying animal. So, I asked Bob to take me home and then there I was, home sweet home. With ice cream everywhere!
