## 3 wishes

There was once a           Noun           that was sitting at home bored, so she decided to for a           Adverb            
          Verb - Base Form          . On the way she saw a           Adjective                     Proper Noun           when your name , rubbed it,  
a           Proper Noun           came out and granted her 3 wishes .for           Pronoun           first wish she wanted name to fall  
in love with pronoun . For her second wish she wanted to become famous to meet a celebrity and become best  
          Noun - Plural          . For her third wish she wanted the all the           Noun - Plural           in the world. The genie told  
          Pronoun          /her that when she gets home she will have all the things she wished for, and when she got home  
everything was in front of her she screamed yay! Everything she wanted was right there and it all belonged to  
          Pronoun          .
