# The Craziest Shift Ever

I work \_\_\_\_\_ on \_\_\_\_\_ nights. It is my all-time favorite shift! I usually enjoy a \_\_\_\_\_ and a \_\_\_\_\_ walk around the covered sidewalks checking on \_\_\_\_\_.

. There are rarely any problems. This last \_\_\_\_\_, however, was unlike any other. As I was \_\_\_\_\_ sitting inside of \_\_\_\_\_, it began \_\_\_\_\_. It began \_\_\_\_\_ hard. It \_\_\_\_\_ so hard that I could hardly see out of the windows. But when I did see out those windows, this is what I saw.

Students began emerging from the bushes. They were wearing \_\_\_\_\_ and carrying \_\_\_\_\_.

. Then, I heard " \_\_\_\_\_ " playing over a loudspeaker. The students suddenly began \_\_\_\_\_ in time. It was \_\_\_\_\_! A flashmob on campus?!? On BJU campus! ? My first thought was, " \_\_\_\_\_! This is really \_\_\_\_\_." But it got weirder. A \_\_\_\_\_ impersonator started climbing the \_\_\_\_\_ belting out the main chorus. Not \_\_\_\_\_ twirling around the \_\_\_\_\_. Climbing it! To the very top! Now, I'm beginning to worry. After all I am the one in charge of the area right now. What if this guy gets hurt?

But just when I thought it couldn't get any worse, another student joins in the \_\_\_\_\_ and \_\_\_\_\_.

. Except this student was not wearing a \_\_\_\_\_. He was wearing his \_\_\_\_\_! Aaah! What to do? Beckon \_\_\_\_\_ to please climb down, ask all the students

\_\_\_\_\_

to please stop **Repeat Last** Verb - Present ends in ING, or chase after the guy in **Repeat Last** clothing ? "Excuse me, but we

ask all of our male students to please wear their clothing plural at all times." But just when I thought it

couldn't get any worse...

I woke up to Full Name of a Person tapping my shoulder. I had fallen asleep on the job.
