The disgusting recipe

Once there was a boy and he was all lonely until he found a Noun. He was looking though all these recipes when he saw a recipe called the chicken disaster. The first thing he needed was a Adjective, tasty chicken. Bob drove off to a Noun one night and stole a chicken. On the way back he said to himself, can you smell something? The chicken went to the toilet in the car!!

Secondly, Bob had to put the chicken in the Coordinating conjunction and heat it to 100c. Then Bob called all his other friends like Proper Noun, Proper Noun and Proper Noun. He told them to come over to have a chicken. When Bob came back to the chicken the chicken exploded in the Noun. Bob started panicking like he was Adjective. Even though he was mad, he made his chicken in to a pie. Ding dong the door bell rang. They sat down at the table to eat then Jim pulled a Adjective, Adjective feather out of his mouth. Tim pulled out a chicken nail from his Noun. Yuck! Sadly, they all got very sick with food poisoning
