# Ricky Bobby gets an elephant.

One day Ricky Bobby woke up in his 100 million dollar mansion. He heard a strange noise coming from outside.

Then he saw his \_\_\_\_\_ Noun flying through the air. He saw an elephant putting his \_\_\_\_\_ Noun - Plural in his

\_\_\_\_\_. He woke up his little kids and said an elephant was outside. They got really excited. So he went

outside and tried to calm it down. The elephant and Ricky soon became best friends. Ricky called the elephant

\_\_\_\_\_. They did EVERYTHING together. They ate \_\_\_\_\_ Noun together, they went to the

\_\_\_\_\_ Noun together, they went to the movies together. But one day Ricky took him to the Talladega super

speedway. But \_\_\_\_\_ name got hit by a race car. She went to Hospital, she had \_\_\_\_\_ number stitches in her

\_\_\_\_\_. The doctor said she had to go home to the wild where she was originally from. But then Ricky

said he didn't know where elephants come from and he found \_\_\_\_\_ name in his front yard. Then the doctor

told ricky he was a twit and that elephants only come from 2 places, \_\_\_\_\_ Proper Noun and \_\_\_\_\_ Proper Noun.

So the \_\_\_\_\_ Adjective thing Ricky did was he took \_\_\_\_\_ name on a \_\_\_\_\_ Noun back to Africa. But as

soon as the \_\_\_\_\_ Noun took off it crashed because \_\_\_\_\_ name was to fat. Then they died.
