# Crazy eyes are chasing me

Today in the \_\_\_\_\_ Noun \_\_\_\_\_, there were too many \_\_\_\_\_ Proper Noun - Plural \_\_\_\_\_ in the \_\_\_\_\_. Surely it was going to \_\_\_\_\_ Verb - Base Form \_\_\_\_\_. Without doubt \_\_\_\_\_ Noun \_\_\_\_\_ would be turned away. There was also a minimum number of people, but as long as all our \_\_\_\_\_ Adjective \_\_\_\_\_ Noun \_\_\_\_\_ came we would exceed that. It was an advantage to have lots of people, but not so many that it outweighed the benefit. The immediate problem of too many \_\_\_\_\_ Noun \_\_\_\_\_ would be that they would fly up the \_\_\_\_\_ Noun \_\_\_\_\_ and out the \_\_\_\_\_ Noun \_\_\_\_\_. My conclusion was that too many people was disadvantageous. Secondly too many people would overshadow the importance of the necessary and particular focus on the \_\_\_\_\_ Noun \_\_\_\_\_. It was a worthwhile and wondrous cause even if it was uncertain that absolutely all the \_\_\_\_\_ Noun \_\_\_\_\_ would be acquired. Obviously we wanted them to.
