Our Vacation

It started out as a _____ Adjective summer vacation. We were supposed to go to the _____ Location in _____ Location. I was especially looking forward to _____ Verb - Present ends in ING, _____ Verb - Present ends in ING, and beating my older brother in _____ board game every night after dinner. Sticking to routine, _____ First _____ Name of a Person pulled off of the _____ name of road about _____ Number miles past the border. We usually stop at _____ Location to get some milkshakes and to use the restroom, our one allotted bathroom break of the entire trip. When he pulled off of the exit there was a significant amount of _____ Noun. I was looking down reading _____ book for my summer assignment. Just as _____ book character was about to _____ Verb - _____ Base Form into the sunset I looked up and exclaimed, _____ Exclamation, as my dad drove through the gates to the chemical plant. It felt like _____ Number hours went by. When I finally came to my Mom was crying and my _____ body part wouldnt stop running. My _____ First Name of a Person was affected in the same way. All of the _____ car part had been stripped off of car. My mom explained that because of our wrong turn our noses would now run for the remainder of our lives .
