A Boy Named Sue

The most Adjective water Noun is at a place called giant water slide.

A boy named Person in room went to a place less cooler than that place. All of his friends Past

tense verb on him for two things: having his name be Same person in room and not going to most giant

water slide. So one day, Same person in room decided to go to the giant water slide. He saw his ugly

disgusting friend named weird name. weird name asked, "Are you afraid to go on the

Adjective water Noun; Sue was speechless. He couldn't stand Billy because he is so mean so

he Past tense verb away. Finally, Same person in room decided to go on the insane water slide. No one

made fun of him any more. Whenever same weird name asked to be his friend again, Same person in

room said no. "Why would be my friend if you used to make fun of me?"; Same person in room asked.

From that point on, Same person in room was never afraid of going on the Adjective water slide and to

stick up for himself ever again!
