# The Dancing Hobo

One morning when I was coming to \_\_\_\_\_  
\_\_\_\_\_ I saw \_\_\_\_\_  
\_\_\_\_\_ and this other guy taking a video of a dancing hobo. The hobo  
really scared us. I didn't go out I stayed in my building till the hobo goes away. He didn't so I decided to open the  
door and let everyone come in so the hobo doesn't do anything wrong because he was trying to kick this girl  
which was very \_\_\_\_\_. The hobo kept coming back to us and leaving. After few minutes the bus  
came and we were so scared and we were all going crazy. I wanted to go upstairs and call me parents but I  
decided not to. We all \_\_\_\_\_ to the \_\_\_\_\_ and looked left and right to see if the hobo was  
there but he wasn't. When we went in the bus we all started to shout and tell the \_\_\_\_\_ driver the story  
. The \_\_\_\_\_ driver told us that we have to tell the principle. He couldn't do anything so we didn't talk  
about. After few \_\_\_\_\_ we heard that the hobo went to \_\_\_\_\_ and we got soooo happy!
