The Alien

Once upon a time, a brown haired Noun named First name went to Verb Noun

when all of the sudden an olive green alien named Jeeb-Jorb Verb from the sky, landing on his back.

"Why are you here?"; asked First name.

"To Verb Planet Planet 1; Jeeb-Jorb Past tense verb Adjective.

Jeeb-Jorb was a highly Adjective life form from the planet Planet 2 and wanted to take over Planet 1 because an Noun Verb twenty bucks from him and never gave it back. He had travelled to Planet 1 in his Noun shaped Noun he called "The President's name Number"; The trip took him at least Number years, but he made it, and was ready to Verb his ultra super Adjective Noun. Or get his twenty bucks back, either one, maybe even both.

At first First name was Adjective but then he realized the alien was no bigger than a Noun. First name Past tense verb on him and the alien died.

Everything was pretty much normal after that. That is, until Jeeb-Jorb's Noun came to Planet 1.
