# There's a place on mars. (there's a hole in the wall remix)

There's a place on \_\_\_\_\_  
Planet where the \_\_\_\_\_  
Animal (plural) play \_\_\_\_\_  
Instrument, and the men whar  
\_\_\_\_\_  
Clothing, and the children drink \_\_\_\_\_  
Drink.

Every breath you take Is enough to kill a \_\_\_\_\_  
Animal,

And when the \_\_\_\_\_  
Same animal dies you put \_\_\_\_\_  
Same object in his eyes, and when the \_\_\_\_\_  
Object

crack you put mustard on his back,

And when the mustard fades you call the \_\_\_\_\_  
Queenking of spades,

And when the \_\_\_\_\_  
Queenking of spades comes you STOP!!!
