Disney trip

was very Adjective. He had just landed in Town State to go on an Adjective vacation with his family. He and his twin Noun were going to Disney world for Number days. He had planned out the entire trip. He was first going to go to Magic Name of disney park and ride on Adjective Mountain. He loved the ride because it was Adjective. After he ate a Food and Food for lunch, he would run around the park finding characters to have sign his autograph Noun. He really wanted to get Disney character Lightyear's signature. He would then ride on Thunder Noun Number times. He hoped that he wouldn't get Adjective. On his second day he was going to Adjective Kingdom. He wanted to start at the Tree of Noun and then go over to Everest. He was very Feeling to see the Yeti, and not scared at all. On his third day, he would go to Adjective Studios for the Rock and Roller Roller Noun. It was a little Adjective but definitely worth it. Last time he came he was too Adjective to ride on it. On his last day at Disney, he would go to any rides he missed and Verb out some postcards. It would be hard to return home to City but he would be ready. Now to enjoy the Adjective. The End.
