

## hide and seek

1. Guy Name
2. Number
3. Slowly Or Quickly

# hide and seek

i was in bedroom playing with my bestfriend, Guy name he wanted to play hid and sik with a tuist every time we found ich other we had to take pis of clothe off. so lets skip to the end i was in bra and panties he was in boxers...my turn to find him. when i found him he was in closet so he grabed my arm (this was empty closet) pined me againt the wall and strts to kiss me. he removes my bra. he stops kissing me to remove his boxers and i see his Number inch dick. still wearing my pantis he comes close to mi and rubs it agenst my pussy and i could fil it geting hard. then he remov my pantis. and slowly starts to push it in. first the head then the middle until it was all d way in and strted to push in and out Slowly or quickly. i felt as his dick got harder. i didnt have to beg him to go deper he just kept pushing evritime a lttle deper. then i felt somthin spray out it was him he came. he then pick me up and i wrap mi legs around him and i strted to puch in and out and rub mi breast on him. then he went down to floor so that i was on top of him then he role so he was on top of me. after a while he got of top of me but dick still inside we were lookin each other he started to pull dick out leaving ust the head in.
