Rascal 162-189arh

_____Noun_____ likes to have alone time, and sometimes it can help a problem. Rascal do you want to go on a canoe ride? Sterling questioned. They got on the water with the sun shining bright. They decided to go as far as they could until dark. It was darkening as far as they were. It was late, full moon shining upon Rascal and Sterling. They were at Koshkonong point when they turned around to go back. They got back to the shore, and there was a female raccoon. Rascal was chirring. Sterling was giving Rascal the choice to stay with him or leave. Sterling took off the leash off of Rascals collar. Then he took off Rascals collar. Rascal hesitated looked back at Sterling. _____Proper Noun_____ said Stop! Rascal didnt he jumped in the water, to go to his love. Rascal and his love will live happily ever after. When you want to have alone time, not always good things will happen.
