Keely's Outstanding Word Lib

What doesnt Verb you makes you Adjective - Comparative, but happiness can appear on Adjective occasions. Ma had lost voluminous amount of Noun from delivering Patrick, so when she fell asleep she Verb - Past Tense into a Noun and couldnt wake up. The only thing she could manage was Verb - Present Tense. Cant even visualize how Proper Noun felt about Ma almost dead and his Pa is dead. Without that special someone in his life, how is he Verb - Present Tense to survive with his baby siblings? He would have to beg for eternity, and the only one who could take care of him, his brother, and sister is peachy Hank. It is very unlikely that Proper Noun will survive, but he is Verb - Present Tense for the best. They were washing Ma off and Proper Noun couldnt stay for that, but that is when she woke up and shrilled, Conjunction Let him stay. If she wasnt alive right now, it would be mighty tough for Hank. He would have to raise great amounts of money by himself, or they wouldnt even have gotten married. They are all one big blessed family now. They still support and care about their ex-spouses, but they still have a tiny bit love left for each other. Now that all three of them are working, Proper Noun, Proper Noun, and Proper Noun, they can make a Noun and take care of each other in tough times. As long as you have happiness in your family, it will last you a whole lifetime.
