Room 6 Class Project

This year our class is doing a _____ science project. We have a(n) _____ that we are taking care of. It is very _____ and it has _____ eyes. It lives in a(n) _____ in the back of our classroom. We feed it _____ and _____ every day, but I think it really wants to _____ my desk. Everyone likes our rabbit.

One day, the rabbit got out of its cage and started _____ all around the room. It made a loud _____!. I think it was trying to say, " _____!"
