The Monster

In my travels, I have experienced many <u>Adjective</u> things. Probably the <u>Adjective ending in EST</u>		
encounter I've had was when I went <u>Verb - Present ends in ING</u> down at <u>Location</u> . It was		
<u>Number</u> degrees outside, and the weather was <u>Adjective</u> . I sat in my <u>Noun</u> waiting for a		
Noun to Verb - Base Form , when all of a sudden, a Monster Verb - Past Tense right in		
front of me! I was <u>Adjective</u> , but I thought fast. I hit the monster with a <u>Noun</u> on its		
Body part and made a break for it. Just before I could get back to my Type of vehicle, I felt		
something <u>Adjective</u> on my <u>Body part</u> ! I didn't even turn to look. I <u>Verb - Past Tense</u> as		
Adverb as I could, and drove away. It was such a Adjective experience, I couldn't		
Verb - Base Form for Number days!
