Mafia Novice Guide

Welcome to the _____Location_____ of _____Proper Noun_____. Over the past _____Number_____ _____Unit of Time_____ criminal activity and murder has been at an all time high. There is only a small group of survivors left in Repeat Last Proper Noun, and each person has had to take up multiple tasks that once had belonged to their now dead neighbors. The survivors have decided to start holding daily meetings to discuss how to go about solving the criminal activity that has become so predominant in their lives. The meetings will start tomorrow, so the town has turned in for the night. However, no one would be able to sleep the whole night. The Mafia has decided that now would be the best time to strike, before the townspeople band together and drive them out of town... or worse.
