# Zombie Attack

One day a Adjective lady was having a party. The lights suddenly went out, then everything was Adjective.

It turns out that Professor Name of male human had dropped a Noun of a Adjective virus he had found during lunch.

Later that month, Number soldiers were sent in to Verb - Base Form. Suddenly, a cry for help was Verb - Past Tense. The soldiers Verb - Past Tense

and saw that a zombie was Verb - Present ends in ING one of the soldiers name First Name of a Person.  
Noise Noise Noise Noise!

The soldiers were Verb - Present ends in ING at the Verb - Present ends in ING horde of rotting pluralblank, some legless, others armless, and some missing Noun - Plural. More and more zombies got killed, and at the same time more and more soldiers were infected

and eventually there were only Number people left. "Verb - Base Form" said a Soldier named First Name of a Person. When they got out of the house they took the Vehicle and went back to the military base. THE Noun.
