soooooo dead sexyyyyyyyyyyyyyyy

once upon a time i was at the Noun. I was going to get some chicken and fatty grease. The total amount of money is cost was Number dollars. I was Verb - Past Participle. but i bought it and went home in my Adjective smart car. When I was driving home a guy said "heyyyyyyyyyyyyyyyyyy fatty" because i weighed Number pounds so I pulled over and said " you know what Noun there are kids in africa, starving, and in america we have McDonalds so of corse I am fat every 1 out of 3 people are fat, but actualy I am not fat, I am sexy, dead sexy!" and I played "I like to move it" on the radio and took out the chicken and took off my shirt and started rubbing all the chicken on me saying in my loudest pruang2forever Noun " I AM SOOOOOOOOOOOOOOOOOO DEAD SEXY!!!!!!!!!! YOU SKINNY BASTARD". The end!
